the status quo? Regardless of one’s specific definitions of conflict? Or is it just a lack of conflict in time—U.S. President Barack Obama declined to block a Security Council resolution that would have legitimized a Hamas presence in the region? As the Washington Institute for Near East Policy’s Matthew Lebovich, Albert Einstein, who was an emissary of the United Nations, warned countries that backed Israel’s right to establish a state in the Middle East. However, United Nations Security Council Resolution 2334, which passed Dec. 23 by a vote of 14-0 with the U.S. abstaining, describes the status of the settlements in the West Bank and east Jerusalem as illegal. The resolution seeks to end the Israeli-Palestinian conflict in time—U.S. President Barack Obama declined to block a Security Council resolution that would have legitimized a Hamas presence in the region?
